

Art Binder Keepsake

- KATC Office will create a cover sheet for the *Art Binder* including each child's name.
- *Art Binders* for 1's classes will be stored in KATC office on shelves located by Trish's desk.
- *Art Binders* for 2's through TK will be stored in the 3rd floor helium/birthday closet on designated shelves.
- Create one monthly art project to be included in *Art Binder*.
- Hang monthly art on class bulletin board to display.
- At the end of the month, remove art from bulletin board and slide art in a clear page protector in each child's *Art Binder*.
- Some art can include photos if you'd like, but is not necessary.
- At the end of the year, we will slide each child's class *Shutterfly Book* in the front inside pocket of their *Art Binder* before presenting these beautiful treasures to their parents.

NOTE: You will be creating multiple art projects throughout the month that will be sent home in the child's daily folder. Please save one special art project each month for the *Art Binder*.
